- 2 there in at casino side and accounting. Dad had a
- 3 culture that all the children would -- would learn the
- 4 business from the ground up. My twin brothers -- one
- 5 was a Dallas Cowboy for seven years. Probably not too
- 6 many points here, but.
- 7 (Laughter.)
- 8 A. He was a backup quarterback for Roger
- 9 Staubach and Danny White. And then when he retired,
- 10 Dad told him he was to go back to Reno and get a real
- 11 job with us. And he worked in the hotel on the sale
- 12 side. His twin brother Gene grew up on the casino
- 13 side.

1

- Our youngest brother, Gregg, went to the
- 15 Culinary Institute of America in Hyde Park in New York
- 16 and got his degree there with his wife Lisa. Then
- 17 they went to Florida International to get their
- 18 hospitality degree.
- And then my sister, Cindy, got her hotel
- 20 education at the Hyatt at the Embarcadero in San
- 21 Francisco, and came back. And now she's in charge of
- 22 our charitable contributions in Reno.
- So a little bit about our culture. Our
- 24 father, as I said, had us grow up in the business.
- 25 And as you'll come to see and how we've operated, many

- 1 GARY CARANO SCHRIER
 - talking now. And on the one that I have, you
- 3 can't really see the language as well because
- 4 it has a picture on it. But that's where we
- 5 are in our presentation; right?
 - THE WITNESS: I'm sorry.
 - MR. SCHRIER: No problem.
- 8 O. If you want to refer to the slides, you
- 9 may do so. We put that slide back up so -- I know you 10 can't see it.
- 11 A. So 1995 -- I don't know if you've been
- 12 to Reno, but we entered into a 50/50 JV, which, as I
- 13 said, become MGM, and we were the operating partner in
- 14 Reno of a 1700 room hotel casino that is much like our
- 15 property here with Steve and Tony. It's a sprawling
- 16 property with 1600 rooms at Circus, 1700 rooms at
- 17 Legacy, and 800 rooms at the Eldorado all joined
- 18 together with skywalks. Not skywalks, but actually
- 19 sky bridges. And we operated that until, you know, we
- 20 acquired the other half of that in 2015.
- 21 In 2005 we had the opportunity to --
- 22 finally for the family to grow outside the Reno and
- 23 purchased the Hollywood Casino in Shreveport, which
- 24 was a deal of a lifetime. And actually had the
- 25 opportunity to purchase that with a great relationship

GARY CARANO - SCHRIER

- 2 of our top management team, Stephanie Lepori, our
- 3 Chief Accounting Officer, has been with the company
- 4 since 1995 when we did a joint venture with them,
- 5 Circus Circus Enterprises which became MGM. We
- 6 purchased that property, and Stephanie came into the
- 7 accounting department as a casino controller and
- 8 worked her way up and now is our chief accounting
- 9 officer. That is very typical of our senior
- 10 management team. We don't turn over a lot of
- 11 management and have not turned over a lot of
- 12 management through the last five years of our
- 13 tremendous growth. Not that we haven't changed some
- 14 management, but we're -- we're not ones that turn over
- 15 a lot of our management.
- A little bit of our history. 1973, as I
- 17 said, Dad built the Eldorado in Reno which is our
- 8 first property. In 1995 we did a --
- 19 Q. Mr. Carano, I'm just going to --
- 20 A. Oops.
- Q. I note you're referring to a slide deck,
- 22 and I think it would probably be helpful for the
- 23 Commissioners as well just to refer to certain slides.
- MR. SCHRIER: So we're looking now at
- 25 Slide 4, I believe, is where Mr. Carano is

1 GARY CARANO - SCHRIER

2 with Tom Reeg who ended up come to go work with the

- 3 company. And that has been a great property of ours.
- 4 In 2014 we had the opportunity to -- we
- 5 actually felt that we -- our management team -- not
- 6 only the family but our senior management team -- we
- 7 wanted to grow. We were only one and-a-half
- 8 properties, or two and-a-half properties with
- 9 Shreveport, and had the opportunity to acquire and
- 10 merge into a public company with MTR Gaming, and
- 11 acquired these three properties. And so that gave
- 12 finally dream to come true for the family to really
- 13 expand to a public company at that point in time.
- Our father surprised us a -- you know,
- 15 when I said -- you know, we went to him and said we
- 16 want to become a public company and expand. And, Dad,
- 17 I want you to be the Chairman, and I'll be the CEO.
- 18 And he right then and there said, no. I'm going to --
- 19 you be the Chairman and -- okay. Dad, you'll be on
- 20 the board. He goes, no. He was into really his --
- 21 his love at that point in time in his life was the
- 22 winery and continued to develop the winery. So
- 23 surprised us. But 2014 we had that opportunity to go
- 24 public and acquire those assets.
- 25 2015, like I said, we had the

1 GARY CARANO - SCHRIER

2 opportunity finally to buy the other half of the

- 3 Silver Legacy and all of the Circus Circus next door.
- 4 So in Reno we owned and operated all three properties
- 5 which, as I said, 4100 rooms a lot like Steve's
- 6 property here.

7 And then 2017 when we had -- Tom and I

- 8 had the opportunity to meet Rob Goldstein. And
- 9 there's a lot of similarities between the Goldstein
- 10 Family and the Carano Family with Bernie Goldstein
- 11 actually being the godfather of riverboat gaming. And
- 12 in their family business, even though the Goldstein
- 13 children were in the scrap metal and barge business
- 14 and our family was in the casino business, but we hit
- 15 it off right away. And we were able to make that
- 16 acquisition. And that was a great acquisition.

17 The Isle of Capri history had been, from

- 18 our standpoint, only what we knew was across the river
- 19 in Shreveport and Bossier, and it wasn't the greatest
- 20 property. And as you'll hear from us -- or from me
- 21 right now -- our culture with my father -- one of his
- 22 cultures was never get behind on your cap ex and the
- 23 condition of your property because you'll never catch
- 24 up.

25

And so Isle of Capri didn't have that

- 1 GARY CARANO SCHRIER
- 2 only the amount of revenue that they generate
- 3 themselves but bring people to the property that may

64

65

- 4 make a sportsbook bet and then go to other parts of
- 5 the casino to enjoy, whether it's gaming or nongaming.
- 6 So we're very excited about our -- as you know, our
- 7 partnership with William Hill. William Hill has
- 8 operated our sportsbooks in Nevada for a number of
- $9\,\,$ years. We have operated our own over the years, but
- 10 we felt that that's not the best use of our time. And
- 11 so William Hill has been a great operator for us in
- 12 Reno and will -- according to your approvals, will
- 13 operate our book here.
- 14 Q. Mr. Carano?
- 15 A. Yes.

16

- Q. So at this point in time, can you tell
- 17 us, if we look at the next slide -- could you tell us
- 18 what -- what you have in your current footprint since
- 19 you've acquired MTR and Isle and the other properties
- 20 that you've mentioned?
- A. Well, as you can see, the -- the 19
- 22 properties across ten states. You know, another
- 23 culture -- 20,000 slot machines, 500 tables, 7100
- 24 rooms. But one stat that's not here, almost 19 or
- 25 12,000 team members. When we hopefully get approval

63

GARY CARANO - SCHRIER

- reputation for years. We were was very pleasantly
- 3 surprised when Tom asked me to, let's go look at these
- 4 properties because we can make a deal. We were
- 5 pleasantly surprised because they had a change of
- 6 culture and put a lot of capital back into their
- 7 properties. And so we did that acquisition in 2017.
- As you know, April of this year, we
- 9 announced the merger with Tropicana. We're very
- 10 excited about these properties. Like I said, the
- 11 Tropicana Atlantic City property has a lot of
- 12 similarities to our property in Reno with -- we grew
- 13 up, as Dad would say, we can't afford Frank Sinatra,
- 14 so food better be our Frank Sinatra. And Steve and
- 15 his team have done an outstanding job with the
- 16 amenities that they are providing our players and
- 17 guests at Tropicana Atlantic City. And so that's one
- 18 of the cultures.
- We're very excited about this property.
- 20 We're very happy that we have the opportunity to bring
- 21 in sportsbook. I know that is a very exciting piece
- 22 of new business for -- for New Jersey. As you may or
- 23 may not know, you know, in Nevada we've had the
- 24 sportsbooks for a long time there.
- 25 Another great amenity to bring -- to not

GARY CARANO - SCHRIER

- 2 from you and the other jurisdictions in acquiring
- 3 Trop, we'll have almost 20,000 team members. That is
- 4 a priority culture with the family that Dad has
- 5 ingrained in us, that anybody can have bricks and
- 6 mortars. Anybody can build beautiful properties. But
- 7 it's the team members that really make the difference.
 - The three properties in Reno, I've
- 9 spoken about, in Colorado has two properties if you've
- 10 been to Black Hawk. It's a mining town that's on
- 11 steroids and does very well.
- The Kansas City property in Boonville
- 13 and our Waterloo in Bettendorf. My brother Gregg just
- 14 got back from our property in Waterloo Isle. One of
- 15 our brands is Brew Brothers with -- we have our own
- 16 microbrewery. We not only make our own wine but in
- 17 Reno and in Scioto Downs Columbus, we make our own
- 18 beers. So in Waterloo Iowa, what we did a Brew
- 19 Brothers right by putting in a Brew Brothers with
- 20 draft. And my brother went -- and a team from Reno
- 21 went out there for two weeks and just opened that.
 - Grand Victoria Casino, a partnership
- 23 between the Pritzker Hyatt gaming family and the MGM.
- 24 It seemed we were trying to acquire that for the last
- 25 10 or 15, 20 years, and finally that came together.

1 GARY CARANO - SCHRIER

- 2 And we're very excited about the opportunity to
- 3 have -- to operate that property.
- 4 A lot -- a lot of these Isle properties,
- 5 Cape Girurdeau is a brand-new casino in Missouri.
- 6 Small casino, no hotel rooms, but probably 1200 slots
- 7 and 20 or 30 table games. Shreveport, as I said, is a
- 8 great property for us. Lake Charles we acquired, and
- 9 we think that we have the opportunity there, as you
- 10 know that land-based gaming what you approved there.
- 11 And that's a possibility for us to take that
- 12 land-based.
- 13 Lula is a smaller casino in Arkansas
- 14 border. Vicksburg is a -- again, that's a really a
- 15 small casino with maybe 500 slots and six table games
- 6 that really don't do a lot of business.
- 17 Scioto Downs is a -- we also are in the
- 18 racetrack business, so the racing business. And even
- 19 though the racing is not a profitable part of it, it
- 20 does bring people to the property. And Scioto Downs
- 21 in Columbus, Ohio, is a very, very good casino. They
- 22 don't call them slots. They call them video lottery
- 23 terminals. But we're not allowed to have live poker.
- 24 We're not allowed to have poker machines. But that
- 25 property, we've added a Brew Brothers to that and

1 GARY CARANO - SCHRIER

- 2 cap ex. Maintenance cap ex could be refurbishing
- 3 rooms, which Steve and Tony, they have done a great
- 4 job. They've done a great job of putting cap ex into
- 5 the public areas. But growth cap ex would be the
- 6 sportsbook. And we're excited about that opportunity
- 7 with William Hill. But we haven't had enough time to
- 8 really get our hands around really what needs to be
- 9 done from any major capital.
- We continue to keep our slot product
- 11 fresh, which is very important. And also back of the 12 house where our team members work. I think there's
- 13 some opportunities -- we don't call them challenges.
- 14 There are opportunities at the Trop. Because it is an
- 15 older property like our Reno property. Our Reno
- 16 property was built in 1973, our original property.
- 17 And so we continue to go in the into back-of-the-house
- 18 areas where team members work, live and continue to
- 19 upgrade those areas.
- Q. Mr. Carano, an important area that we
- 21 have to prove today involves the business ability of
- 22 the company to operate a successful casino operation,
- 23 and you've been telling us a lot about all the
- 24 operations and how you've grown. Can you introduce us

69

25 to your executive team at Eldorado and tell us a

67

GARY CARANO - SCHRIER

- added a Hampton Inn Hotel to that in the short time
- 3 we've owned it. And the property does very, very
- 4 well.
- 5 Pompano Beach, Florida, is another
- 6 racetrack that we own Presque Isle in Erie,
- 7 Pennsylvania, is a racetrack that we own. Pompano
- 8 Beach has a lot of excess land, and we have announced
- 9 that we would do a joint development with the Cordish
- 10 Group, you know, to residential retail. Expanded
- 11 casino hotel on that excess property that we have
- 12 there. So we think there's a lot of opportunity
- 13 there.
- 14 I guess, you know, getting back to the
- 15 culture, do we have an idea -- maybe I'm jump ahead,
- 16 but what we would -- maybe our plans for Trop Atlantic
- 17 City. I think the Trop brand is a great brand and we
- 18 don't expect to change the name. The only time we
- 19 have rebranded properties is we've gone in and done a
- 20 tremendous amount of capital improvement. But we
- 21 think the Trop brand is a very good brand and stands
- 22 very strong in this market and across the United
- 23 States.
- 24 Again, we've continued to place money
- 25 not only what we call maintenance cap ex, but growth

1 GARY CARANO - SCHRIER

- 2 little bit about the executive team there?
- 3 A. As I mentioned, Tom Reeg has been with
- 4 the company really prior to before 2007. He became an
- 5 employee of the company in 2007, was on our board
- 6 prior to that in equity funding. He was with a small
- 7 piece of equity in the Eldorado. But we've had a
- 8 relationship with Tom -- it must go back 20 years. He
- 9 was in the banking business, not only do financing
- 10 with us but he covered the space.
 - Tom is -- brings to the company a
- 12 completely different viewpoint that is fresh and --
- 13 and I can just say that he has built a continued new
- 14 culture of change on operating -- from the operating
- 15 standpoint. Has the title now of both president and
- 16 CFO and has -- has just almost been one of my father's
- 17 six children. My dad loved him so much.
- 18 My son Anthony was Dad's -- Dad had five
- 19 children. None of us went to law school. My dad
- 20 wanted one of us to go to law school. So when Anthony
- 21 came along, my dad went to USF, undergraduate and law
- 22 school in San Francisco. And so Anthony came along
- 23 and played baseball in college and had an opportunity
- 24 to go USF to get his law degree and his master's in --
- 25 and finance at USF. Made my dad's -- made a dream

1 GARY CARANO - SCHRIER

- 2 come true.
- 3 Anthony joined my dad's law firm for I
- 4 think four years. And while he was in college and
- 5 undergraduate in Reno, he worked in the management
- 6 training program in Reno. And worked in those days
- 7 carrying change and paying off jackpots in the casino
- 8 department. Worked in the cage. Worked in --
- 9 actually worked in -- was a chef for a while. Was a
- 10 cook for a while. But grew up as a management trainee
- 11 in Reno. And then when we did the Isle of Capri
- 12 acquisition, we made Anthony our chief operating
- 13 officer.
- And when we brought in Ed Quatmann to be
- 15 our Chief Legal Officer, he was with Isle of Capri.
- 16 And we asked Ed to came to work for us and he joined
- 17 us. And as I said, joined the company in 2017. Ed
- 18 has moved to Reno with his extended family. He's a --
- 19 got twins and a lot of kids, but he and his wife moved
- 20 to Reno. Which we found isn't easy for people to pick
- 21 up roots and move their family. But he has joined our
- 22 team as Chief Legal Officer and is a great addition to
- 23 the team.
- 24 Like I mentioned earlier, Stephanie
- 25 Lepori has been a long-time Reno family, and we've

1 GARY CARANO - SCHRIER

- 2 important to any company in terms of how it operates.
- 3 But it's also important to the regulators to know what
- 4 the culture is. You've told me about the company's
- 5 concept called "TEAM." I was wondering if you could
- 6 elaborate on that?
- 7 A. I think I've given you a little bit
- 3 about that already, but growing up in an athletic
- 9 family -- even my sister was very athletic in her day.
- 10 But and every -- there's no "I" in team, as everybody
- 11 knows. And we know that, even though the buck stops
- 12 here, that we understand the team members is not just
- 13 of the executive team but it's the people. As my dad
- 14 would say, down in the trenches, that are dealing with
- 15 the customer, whether they're across the table from
- 16 them in a blackjack table or checking them in at the
- 17 front desk or -- and I have to say -- I haven't said
- 18 this to Steve. But we've been very pleased with not
- 19 just walking around Steve -- who should run for mayor
- 20 of Atlantic City. Everybody knows him so well. No
- 21 matter what property we're in. But the culture that
- 22 we see in Tropicana is a lot like our culture.
- 23 Employees engaging with guests. Family style service
- 24 is -- you know, we're a public company, and we're a
- 25 growing public company. And we're a larger regional

71

GARY CARANO - SCHRIER

- 2 known Stephanie even prior to when we opened up the
- 3 Silver Lakes in 1995. But she proceeded up the ranks
- 4 at the Silver Lakes and became the Director of Finance
- 5 the top accounting finance position at Silver Legacy.
- 6 And when we went public, Stephanie became a senior
- 7 vice president and chief accounting officer.
- 8 So that, along with the other management
- 9 team that I haven't mentioned that have been with
- 10 our -- our senior vice president of operations, I
- 11 think walked in the door at the Eldorado in early to
- 12 mid 1970s in internal audit and has worked his way up
- 13 through the casino side and now is our chief -- senior
- 14 vice president of operations.
 - One of our regional operations managers
- 16 in the south, Mike Whiteman played football with my
- 17 brother Glenn at UNLV and went back to Reno. And we
- 18 put him through a management program and ended up him
- 19 moving to Shreveport to become a general manager there
- 20 in 1995. And so he's worked for the company since
- 21 the -- probably the late '80s.

25

- That just gives you a little bit of our
- 23 culture. We don't turn management at both at the
- 24 property level or at the executive level.
 - Q. Speaking of the culture, that's

1 GARY CARANO - SCHRIER

2 gaming public company. But we also think that we keep

- 3 the family niche in the public space and bring that
- 4 culture to our properties.
- 5 My brother Gregg, who is our corporate
- 6 vice president of food and beverage, just got back
- 7 from Waterloo, is probably our greatest casino host on
- 8 one side and the greatest ambassador and support of
- 9 our team members on the other. And when we go and
- 10 meet our fellow team members, when we do rallies at
- 11 all our Trop properties in Atlantic City, Gregg will
- 12 be here, and he'll excite the team and tell them what
- 13 we're about. And we expect our management not to stay
- 14 in their office but be on the floor, not only with
- 15 their players but with their fellow team members.
- 16 Because you don't -- you don't get the understanding
- 17 of really what's going on in an office.
- 18 Community. No matter what community
- 19 you're in or we're in, you'll understand that --
- 20 you'll find that we're very involved in a community
- 21 from a philosophic standpoint and from an involvement
- with our regulators. When grew up that our regulatorsare like our bankers and our firemen and policemen.
- 24 We're all partners. So we're very community minded.
- 25 We're very involved, I guess you would say, in the

- 1 GARY CARANO SCHRIER
- 2 community from -- we expect or management team to be
- 3 involved in whatever community they live in.
- 4 Q. Mr. Carano, can you tell us about the
- 5 role that compliance plays in the company?
- 6 A. Story there is, I think my father as a
- 7 young gaming attorney wrote the first compliance
- 8 regulations for the State of Nevada. I could be
- 9 wrong, but I'd like to believe that. But so we've
- 10 always had compliance committee. Now Bud Hicks, one
- 11 of the senior partners at my dad's law firm -- the law
- 12 firm still has his name on it, Carano. But Bud Hicks,
- 13 who has been our gaming attorney for probably 40
- 14 years, heads up our compliance committee as a
- 15 director. And Bud Hicks -- I don't know if you all
- 16 know who he is, but he has a great reputation in the
- 17 industry as compliance. And every property has a
- 18 compliance officer.
- 19 Jeff Hendricks is here today, as Steve
- 20 introduced him. He's a vice president of compliance.
- 21 So we -- we know what compliance is about. We
- 22 understand the jurisdictions that we live in. And --
- 23 and how we should operate and how we should act. So
- 24 that's --
- Q. And can you tell us a little bit about

- 1 GARY CARANO RICHARDSON
- 2 and the regional vice president of operations for --

76

77

- 3 for us.
- 4 Q. Thank you, Mr. Carano. That's all I
- 5 have.
- 6 Is there anything else you would like to
- 7 add?
- 8 A. No. I thought, I've talked more than I
- 9 thought I would, but I'm not used to this. But I can
- 10 say we're very excited to be here and operate in
- 11 Atlantic City. It's a jurisdiction that we've looked
- 12 at for a lot of years. And with this opportunity --
- 13 and I saw that the two little bumper stickers
- 14 "Atlantic City is Back" and we're excited to be here.
- 15 Thank you very much.
- MS. RICHARDSON: I have some questions,
- 17 Mr. Carano.

19

23

- 18 CROSS-EXAMINATION BY MS. RICHARDSON:
 - Q. Good afternoon.
- What about the Tropicana Atlantic City
- 21 casinos and locations made them attractive for
- 22 Eldorado to pursue?
 - A. What made the various properties
- 24 attractive for us? I think -- again, growing the
- 25 company is a culture. And I think the assets that

75

GARY CARANO - SCHRIER

- 2 the role of diversity plays in your organization in
- 3 terms of employees and businesses?
- 4 A. On employee side, we continue to add
- 5 diversity. I would say -- I mean, in various
- 6 jurisdictions, no matter female, no matter white, no
- 7 matter hispanic, we have a large group of each. And
- 8 we understand in today's environment how important
- 9 that is. Stephanie Lepori is the senior female on our
- 10 management team, but we have others. We have in many
- 11 of our jurisdictions minority employees that we have a
- 12 ton of, and we're glad we do. If we didn't have the
- 13 Hispanic community in Reno, Nevada, as we can see in
- 14 almost a lot of America that we'd be in trouble.
- 15 As far as on the purchasing side, as you
- 16 know, in almost every jurisdiction you have
- 17 requirements to buy from -- from a diverse group,
- 18 whether they are minority owned or -- and/or majority
- 19 owned by females. We expect to comply with that and
- 20 understand that the -- the policy in Atlantic City may
- 21 be different than our corporate, but we are going to
- 22 change ours to whatever we have to abide by here.
- 23 And I understand Steve and his team have
- 23 And I understand Steve and his team have 24 been -- have done a great job, so we don't anticipate
- 25 any changes there with Steve being the general manager

GARY CARANO - RICHARDSON

- 2 we're acquiring on the most -- for the most part, are
- 3 very exciting to us. The diversity across our
- 4 portfolio is -- has again been a goal of the company.
- 5 The quality of the assets, one of the
- 6 assets in Evansville, Indiana, we tried to purchase in
- 7 2007 at the -- during the Great Recession, and we were
- 8 flexed out in our financing. But we were excited that
- 9 now full term we get an opportunity to purchase that 10 property.
- 11 The St. Louis property is a great
- 12 property. Evansville, the properties in Laughlin --
- 13 the property in Laughlin, Nevada, we've seen for a lot
- 14 of years, of course, living in Reno. Lake Tahoe,
- 15 everybody know the beautiful Lake Tahoe property.
- 16 Baton Rouge, there is an opportunity, also, if we
- 17 choose to go land-based there.
- 18 The Mississippi property, we own -- the
- 19 family owns outside of Eldorado Resorts, we're
- 20 partners -- minority partner with another operator in
- 21 Northern Nevada, small properties. And the
- 22 Mississippi property, that's a small, nice little
- 23 property.
- But to answer your question, we're a
- 25 growth company. We will continue to grow. And with

78 80 1 GARY CARANO - RICHARDSON 1 **GARY CARANO** 2 the right assets -- we looked at a lot of assets. Tom 2 able to share with us what you're going to do 3 brings us a lot of opportunities, it seems like 3 to make -- to become competitive, become 4 weekly. And we looked at a lot of assets and have 4 successful and especially, as you just 5 5 looked at a lot of assets, but we felt Trop assets fit mentioned and we all know, we just had two new 6 our culture and fit what we see as an opportunity 6 casinos open up. So we've got a couple things 7 going on. I know you're phenomenally to -- to grow. Not necessarily grow revenues but grow profitable revenues and grow EBITDA. 8 successful, but can you share with us some of 9 Q. After the large acquisition of Isle of the things that you plan on doing? 10 Capri casinos in 2017, what made the timing right to 10 THE WITNESS: Well, first of all, I 11 acquire these new seven Tropicana properties? think that Steve and his team -- and I should 11 12 A. The timing is never scheduled. I guess, 12 say Tony and his team. But Steve and his team 13 I mean, when it -- when an opportunity arises, if it's 13 who -- Steve is in the trenches -- have done a 14 the right opportunity and we as a group review and 14 great job operating this property. Mr. Icahn 15 think it's a right opportunity, then we move. I mean, 15 has put a lot of money into this property, as 16 a lot of factors in there. The financing, as Tom will 16 you know, over the last four, five years. 17 go through in a minute, was right. And so that -- we 17 We're not -- we're not new to competition. I 18 can't control the timing. But it turns out from a 18 mean, like I said when I first started talking, 19 financing standpoint and from a marketing standpoint 19 Reno is as much, if not more, competitive with 20 that -- I mean, yes, true. Atlantic City with -- with 20 the casino picture in Reno. So we're not --21 Ocean and Hard Rock opening brings a little more 21 we're not new to a competitive market. 22 competition to the market. But I think, hopefully, 22 Atlantic City, over the years from our 23 they grow the market. But I think it was just the 23 viewpoint, has been a little aggressive in 24 time presented itself, and everything is falling into 24 their promotional allowance. Give back. I 25 place. 25 think I was talking to Steve. I think it's, 79 81 1 GARY CARANO - RICHARDSON 1 **GARY CARANO** 2 Q. And you said that you're looking at 2 with some exceptions, with maybe with some growth opportunities, potentially daily. Do you see 3 operators Atlantic City little aggressive. 4 any immediate expansion on new areas on the horizon? 4 So to answer your question, we haven't 5 A. As a public company, I'd like to tell had enough time to really put our arms 6 you that we got this, this, and this as -- but, no. 6 around -- the rooms have been remodeled for the We don't have anything to announce today. But we're 7 most point. The casino has been remodeled. 8 8 always looking for the next great one, whether it's an The restaurants are in great shape. So from a individual one or a company. 9 physical standpoint, we think Tropicana is 10 Q. Thank you. I have no other questions. 10 pretty good. Yes. Do we need to put an 11 CHAIR PLOUSIS: Commissioners, do you 11 exciting racebook or sports -- I don't know if 12 12 we're going to have racebook, but an exciting have any questions? 13 sportsbook in this property? If you came out 13 VICE CHAIR HARRINGTON: Commissioner? 14 COMMISSIONER COOPER: First I want to 14 to Reno and saw our sportsbooks, we have 15 thank you for being here today. 15 sportsbooks at all three of our properties 16 You answered some of my questions. Are 16 Reno. If you look at the mother ship, I call 17 it, at the Silver Legacy, it's a large Reno 17 you able to elaborate a little bit more. This 18 sportsbook. Last night we've already seen the 18 is your first venture in Atlantic City and 19 OTB at Borgata. And we saw -- at the Ocean we 19 certainly very different from your other 20 saw the sportsbooks at Ocean, which I saw was a 20 properties, which you just mentioned. Can you 21 nice sportsbook. And I would expect that we 21 share with us or elaborate what plans you have, 22 especially since there's gaming in adjacent 22 would do, if not as nice. But as far as being 23 states. I know you've got properties in Vegas, 23 able to compete, we've competed not only in 24 24 Reno but Shreveport, and Bossier in Louisiana Reno, Shreveport. But here's New Jersey, and 25 is a very, very competitive market. And do we 25 we've got gaming on all sides now. So are you

82 84 1 **GARY CARANO** 1 **GARY CARANO** 2 have the nicest, newest casino there? No, we 2 say is -- is, Commissioner, is we look at, and 3 3 don't. I mean, there's been brand-new builds I think we're good at, reviewing and -- and 4 since there we've been there. So I think we've 4 changing our invitations to our existing 5 5 shown a history of the company to be able to players and to new players that may not be 6 compete. And whether it's competing with the 6 playing at Tropicana. Because Tropicana 7 condition of the existing assets that we've 7 reminds me of Caesars Palace in Las Vegas with 8 had, or we've shown that we put money into our 8 The Quarter and Caesars Palace Las Vegas they 9 properties to make them compete on a different 9 have The Forum. I mean, when we saw The 10 10 Quarter for the first time, I couldn't believe 11 An example is Scioto Downs. The and still am amazed how many opportunities 11 12 racetrack is over 50 years old. The casino was 12 there are for players or nonplayers to have a 13 built I think in 2012? We've add a Brew 13 great time at the Tropicana. It is a great 14 Brothers there. We've added a Hampton Inn 14 15 there to compete with Hollywood Casino, which 15 Yes. Our friends at the MGM have a 16 owns a beautiful hotel casino that could be in 16 beautiful Borgata and the Hard Rock put a lot 17 Atlantic City or on a Las Vegas Strip. But 17 of money into that property. But the 18 we've added components to that. 18 Tropicana -- the job that Tony and Steve, and I 19 But I don't think we've had enough time 19 guess Mr. Icahn have done at the Tropicana --20 to really get our arms around what we will do 20 makes this property to us feel very good for 21 with Trop other than an exciting sportsbook. 21 the -- for the niche of the market that we 22 COMMISSIONER COOPER: You mentioned the 22 are -- that Tropicana is playing to today. So 23 renovations in recent years, and I fully 23 we're excited that we will be able to compete 24 24 acknowledge they've been -- they've been favorably because we have in every market that 25 beautiful. Beautiful. And I appreciate 25 we've ever operated on. 83 85 1 **GARY CARANO** 1 GARY CARANO 2 everything you've just mentioned. I suppose 2 COMMISSIONER COOPER: Okay. One final 3 I'm a little bit curious, so to speak. Okay. 3 quick question. Personally. You -- your 4 4 Here's New Jersey. There's gaming all -- like, background is mostly, it seems, Reno and Las 5 right around us. So maybe, let's say, what 5 Vegas and other areas. Since you've been in 6 have you planning to? Do or what are some of 6 Atlantic City, what's the thing that you like 7 your plans, if you can share them, with this --7 the most about Atlantic City? It's certainly 8 8 somebody who's let's say a two-hour drive? different from the other properties. What do 9 Because there's gaming right now down in 9 you enjoy the most? What's --10 Maryland and Inner Harbor. And then, you know, 10 THE WITNESS: Not to correct you, but we 11 all -- in a two or three-hour drive. What are 11 don't have a casino in Las Vegas. 12 you going to be doing to get people to get here 12 COMMISSIONER COOPER: Forgive me. 13 that are in driving distance as opposed to, 13 THE WITNESS: Reno is not in Las Vegas, 14 let's say, flying distance? 14 nor do we ever want to be. THE WITNESS: Commissioner, this 15 15 (Laughter.) 16 market is -- the Native American -- the Native 16 THE WITNESS: But Atlantic City probably 17 American gaming revenue not -- I don't think 17 doesn't want to be Las Vegas, either. 18 it's public -- in California is huge. Within a 18 COMMISSIONER COOPER: Where your other 19 two-hour drive of Reno, Nevada, we have some of 19 properties are located. 20 the largest and most profitable casinos in 20 THE WITNESS: Yes, ma'am. Yes, ma'am. 21 America. They are Native American. Within a 21 But I think -- well, I like the 22 two hour, three-hour drive of Reno. And 22 revenues. I like the business we do. I like 23 Reno -- we didn't have and still don't have the 23 the population base that loves to come to 24 nicest properties in Reno. I mean, there's --24 Atlantic City. Do I have an extensive history 25 we have some competition in Reno. So all I can 25 of visiting Atlantic City? No. But what I

	86		88

2	like about it is the business that Steve and	2	bricks and mortars, as we would call it, but
3	his team do here and the revenues that the	3	also the guest experience, not only from a
4	amount of business last night what's today?	4	service standpoint which is very, very
5	Wednesday. Last night, Tuesday night, and I	5	important, but from an amenity standpoint.
6	haven't asked Steve for the numbers this	6	I mean, I don't know how I think
7	morning, but the amount of business that	7	every trip and I'm sure our frequency of
8	they're doing on Tuesday night, and we're	8	trips is high with our guests and players at

Can you provide us with a little marketing decisions across the portfolio and kind of 12 13 background about yourself and your responsibilities in implementing our philosophy across the existing 14 that position? 14 portfolio and then properties that we had as well. 15 A. Yes. We start by thanking Mr. Chairman, 15 Q. So we've heard about the transaction 16 members of the Commission, for consideration today. 16 from a variety of sources, but I would like to ask you 17 I grew up in the investment banking 17 if you can explain the transaction to the Commission 18 business. I worked the first decade of my career in 18 in your own words and what it means to you and the 19 investment banking in a number of organizations in the 19 company. 20 casino industry. So I go back to, you know, coming 20 Yeah. So we -- as Gary said, we're 21 out here, I'm one of -- somebody who I became close always looking for opportunity. We -- the prior 21 22 with was Jim Perry, who at the time was President of acquisition that we had done was Isle of Capri. That 23 TropWorld. So I remember the Tivoli Pier opening back 23 closed in May of 2017. And, frankly, that went about 24 then. And worked on that. And worked in the gaming as smoothly as an acquisition could go. That was --25 business from the banking standpoint for a decade. 25 we were -- we were effectively doubling in size. In

1 REEG - SCHRIER

2 that acquisition we merged Isle -- or we bought Isle

- 3 and Isle was about our size. So it was a challenge on
- 4 the front end to think about integrating a dozen
- 5 properties and managing that much operations across
- 6 the board. And it has gone beyond our wildest
- 7 expectations. So we were in a position where we could
- 8 look for the next opportunity, and Tropicana came up.
- 9 We have a history with the Evansville
- 10 asset, as Gary touched on, back in a prior iteration.
- 11 We had an agreement to purchase that in 2007 that fell
- 12 through in the financial crisis. Obviously familiar
- 13 with Atlantic City and Trop's place in Atlantic City
- 14 coming in. So it was -- it was appealing to look at.
- 15 Icahn put a tremendous amount of money in -- I had
- 16 invested in Carl Icahn owned companies in the past in
- 17 my experience in the distress business.
- 18 You know, one of the refreshing things
- 19 in this particular company is he -- all of the free
- 20 cash flow they generated in -- under his ownership was
- 21 reinvested into the portfolio, and you can see it in
- 22 Atlantic City. You can see it in Evansville. You can
- 23 see it across the portfolio. So we knew it was a very
- 24 strong portfolio.
- The REIT -- the various REITs have been

- 1 REEG SCHRIER
- 2 But we struck the deal where we are
- 3 buying TEI, save Aruba, for a billion-eight-fifty.
- 4 The original transaction was GLPI would buy the real
- 5 estate for 1.21 billion. So we'd effectively be
- 6 buying the remain of Trop, the operating assets of
- 7 Trop, for about 630 million, but we keep the cash in
- 8 the -- the excess cash -- in the business. So in my,
- 9 mind we're really buying it for 575, \$585 million.
- 10 And, you know, since then, I'm sure we'll get into,
- 11 we've amended -- or we're in the middle of amending
- 12 the St. Louis piece of that.
- But really, it came together nicely.
- 14 It's an attractive portfolio of assets. And we think
- 15 we can do a good job, kind of building on what Tony
- 16 and Steve and their team have done since when they
- 17 took it. Because we also knew these assets under the
- 18 prior ownership, and we know that they've made19 tremendous strides from where they took them over.
- 20 And we think that we can be the ones to take the next
- 21 step with these assets.
- Q. As of today, can you describe the
- 23 financing and where that stands with the transaction?
- A. Yeah. So we have -- we have a financing
- 25 commitment for \$600 million from JPMorgan. Last

105

103

REEG - SCHRIER

- 2 pursuing us as a potential tenant for quite some time.
- 3 We haven't done anything with them to date. They
- 4 presented a particularly attractive financing package
- 5 for us, and we thought we could make a difference
- 6 here. We looked at this market in particular. And it
- 7 does have a lot of similarities to Reno in that you
- 8 have big, complex full-service properties that you
- 9 have to operate, and your feeder markets are inundated
- 10 with new competition. That's exactly what we
- 11 experienced in Reno in the 2000s. And we've been able
- 12 to work through that and prove that we could compete
- 13 there.
- 14 And so it came together fairly quickly.
- 15 We started a conversation in January, and we had a
- 16 definitive agreement in April. And I would say, in my
- 17 experience, that's quick. It was pretty smooth,
- 18 particularly with three parties negotiating.
- 19 You know, my answer on Aruba is, I would
- 20 love to spend time in Aruba personally, but given the
- 21 size of that asset and its distance from the rest of
- 22 our portfolio, it didn't really seem like a good use
- 23 of management bandwidth. And TEI and Icahn
- 24 Enterprises were open to keeping that out of the
- 25 transaction. So that made it simpler for us.

- REEG SCHRIER
- 2 Thursday we went to the market to raise unsecured
- 3 notes. We priced \$600 million of unsecured notes at
- 4 six percent. That funding will close on the 20th.
- 5 Those funds will go into escrow pending the various
- 6 regulatory approvals and, at closing, will be used to
- 7 fund the Tropicana acquisition. So the financing, for
- 8 all intents and purposes, is done. We launched that
- 9 at 11 a.m. on Thursday morning and closed the books
- 10 two -- three hours later and had almost \$3 billion in
- 11 orders from over 150 institutional investors. So it
- 12 went quite well on a day when the equity markets
- 13 weren't treating us particularly nicely. So we're
- 14 very pleased with the financing we have in place.
- 15 The GLPI is prepared to close on its --
- 16 its purchase of the real estate. And TEI has
- 17 indicated that they're in the process and are able to
- 18 execute on an Aruba transaction that would meet the
- 19 timing that we have in front of us.
- Q. What -- what regulatory approvals are
- 21 still required before you can proceed with the
- 22 transaction closure?
- A. So, of course, there's New Jersey today.
- 24 And then tomorrow we'll be in Indiana in front of the
- 25 Indiana Gaming Commission. We got Nevada Gaming

- 1 REEG SCHRIER
- 2 Control Board approval last week. I'll be in front of
- 3 the Nevada Gaming Commission next Thursday. And then
- 4 we have Missouri remaining. Missouri has indicated
- 5 that we can be on their calendar for September 26th
- 6 tentatively. You know, dependent on locking down the
- 7 structure of the Lumière financing.
- Q. Without stealing the thunder of the
- 9 Commissioners, most of their questions really about
- 10 Tropicana Atlantic City and the TEI acquisition, from
- 11 a strategic standpoint, what made this acquisition
- 12 attractive to Eldorado?
- 13 A. Yeah. What I would say is, you know, we
- 14 have -- we have a demonstrated track record of several
- 15 acquisitions now where we were able to take assets and
- 16 implement our operating philosophy and grow the cash
- 17 flow of the underlying assets. We have been -- we've
- 18 been growing same store EBITDA in the regional space
- 19 faster than anybody else in the business based on
- 20 buying these assets and implementing our operating
- 21 philosophy and bearing -- and seeing the fruits of it.
- Trop, as I've said, has made tremendous
- 23 strides under the current ownership team. I think we
- 24 bring a larger organizational structure, a larger
- 25 infrastructure that can help and bring experience that

- 1 REEG SCHRIER
- 2 President, how can you assure the Commission that

108

109

- 3 Tropicana has the -- the acquisition of Tropicana is
- 4 something that you will be able to integrate into the
- 5 Eldorado organization?
- 6 A. Yes. I can point to our prior history.
- 7 This is the latest in a series of several acquisitions
- 8 where we've done -- we've executed what we're
- 9 intending to execute here. So we have a track record
- 10 of improving the operations. We're starting from a 11 standpoint of, we should be generating 3 to \$400
- 12 million a year at least in free cash flow, including
- 13 the lease payment under the master lease. So we're in
- 14 a very strong financial situation to begin with. Our
- 15 typical -- what we typically do post-acquisition is we
- 16 start to pay down that debt with free cash flow.
- 17 Quickly I'd expect that to be the case here. You
- 18 know, our fixed charge covers -- we'll have \$110
- 19 million lease payment. We'll have 140 million of
- 20 interest expense. And we'll be doing almost \$800
- $21\,\,$ million of EBITDA. So there's substantial headroom in
- 22 terms of financial stability.
- 23 And I -- you know, I can tell you what I
- 24 think, what I would tell you is third-party evidence
- 25 is the financing last week, to be able to borrow

107

REEG - SCHRIER

- 2 we've had in other assets in terms of how we've been
- 3 able to improve operations and bring them to bear in
- 4 Atlantic City and throughout the portfolio. We had
- 5 virtually zero overlap with this existing portfolio --
- 6 or with the Trop portfolio -- in our existing
- 7 portfolio, so it provided further geographic
- 8 diversification, which helps to reduce risk in the
- 9 combined enterprise.
- 10 And the financing package that we put

together was extraordinarily attractive. So we can --

- 12 this acquisition will be immediately free cash flow.
- 13 That created for us, from a leverage standpoint on a
- 14 gross lease adjusted basis, adjusting for -- assuming
- 15 the synergies that we've announced -- will be less
- 16 than five times in the most conservative way of
- 17 measuring leverage. So we feel very good of where
- 18 we'll be balance-sheet-wise, where we'll be free-cash-
- 19 flow-wise. And we think this will grow the value of
- 20 the entire organization.
- Q. So one of the key components for us to
- 22 obtain Commission's approval today of casino
- 23 authorization on an interim basis is the financial
- 24 wherewithal of the company and its financial
- 25 stability. So as the Chief Financial Officer and the

1 REEG - SCHRIER

- 2 unsecured debt at six percent, you know, in the face
- 3 of several fed rate increases, in the face of a
- 4 difficult equity market, and to have that kind of
- 5 demand from institutional investors, speaks to our
- 6 financial stability.
- 7 Q. Have you had an opportunity to review
- 8 the Division's financial analysis of the company and
- 9 of the transaction in their report?
- 10 A. I have.
 - Q. Do you concur with their analysis and
- 12 conclusions?

11

13

17

- A. I do.
- 14 Q. So Tropicana Atlantic City represents
- 15 the largest revenue- producing property in the
- 16 Tropicana acquisition; is that right?
 - A. That's correct.
 - Q. What assurances can you provide to the
- 19 Commission that Eldorado is going to continue to
- 20 ensure that this property's success and current status
- 21 will remain as it is now or get better?
- A. You know, I can point to again our track
- 23 record and prior acquisitions. You know, if you look
- 24 at the list, the map of our -- of where we've bought
- 25 assets, you can go across. Isle of Capri Black Hawk.

- 1 REEG SCHRIER
- 2 We're about to kick off a \$20-million-plus capital
- 3 program that will renovate every room in the
- 4 properties and the casino floor. Gary touched on Isle
- 5 Waterloo, we just bought. We just built a Brew
- 6 Brothers. We're doing the same in Boonville. In
- 7 Scioto Downs we added -- we've expanded the casino
- 8 several times. We've added a Brew Brothers. We've
- 9 added a joint venture hotel product. That -- that
- 10 facility doesn't look anything like what it did when
- 11 we took it over.
- 12 You know, Lake Charles, Isle of Capri
- 13 there. We're talking about a move from a boat to a
- 14 land-based operation that you're talking about
- 15 probably a 75 to \$100 million investment. Pompano
- 16 Gary touched on. We've contributed our excess land
- 17 there to a joint venture with Cordish that will lead
- 18 to probably in the neighborhood of a billion dollars
- 19 of real estate development surrounding the property.
- So, you know, we have a track record of
- $21 \;\;$ investing in our properties. We know that we need, in
- 22 a competitive environment, to continue to give our
- 23 customers new reasons to show up and patronize our
- 24 establishments.
- We can't tell you as we sit here today,

- 1 REEG RICHARDSON
- 2 CROSS-EXAMINATION BY MS. RICHARDSON:
- 3 Q. Good afternoon.
 - A. Hello.
- 5 Q. Could you please explain the nature of
- 6 the triple net lease, the master lease?
- 7 A. So effectively we're responsible for
- 8 everything involved in operating the property, and
- 9 we're making a payment to GLPI as you would make to a
- 10 landlord. And so the total master lease payment will
- 11 be -- will start at \$88 million because the Lumière
- 12 piece is converting to a mortgage note. But that's
- 13 a -- intended to be a temporary step. We will swap an
- 14 existing owned property, possible more than one, into
- 15 the master lease that will replace Lumière. So the
- 16 terms of the lease will be \$110 million lease payment.
- 17 There's a fixed piece of that and a
- 18 floating piece. The floating piece will -- the lease
- 19 will grow -- the lease will grow at an inflation rate
- 20 based on a 1.2 times lease coverage ratio over the 21 first five years. So effectively, that lease payment
- 21 mist five years. So effectively, that lease payment
- 22 will grow about a million and-a-half dollars per year
- 23 going forward. And it is -- it has a corporate
- 24 guaranty. So it effectively has the benefit of all
- 25 the EBITDAR of the Eldorado portfolio, even though

113

111

REEG - SCHRIER

- 2 other than the sportsbooks, specifically what that --
- 3 how that will manifest itself in Atlantic City. But
- 4 we know that -- we know that the way that you attract
- 5 property -- you attract customers in competitive
- 6 markets is you give them an appealing product. You
- 7 improve that product. And you -- you have the best
- 8 service that you can possibly have. Because
- 9 everybody's buying their slot machines and tables from
- 10 the same guys. We can't tell you that we've got a
- 11 better slot machine than somebody else. But, you
- 12 know, we keep our properties fresh. And we add pieces
- 13 in order to maintain and improve competitiveness. And
- 14 I would expect us to do the same thing here.
- MR. SCHRIER: That's all I have, Mr.
- 16 Chairman.
- 17 CHAIR PLOUSIS: Thank you.
- 18 Questions?
- 19 COMMISSIONER COOPER: Okay. Once again,
- 20 I'd like to thank you --
- 21 MS. RICHARDSON: Mr. Chairman?
- 22 CHAIR PLOUSIS: I'm sorry.
- 23 COMMISSIONER COOPER: I'm sorry, too.
- 24 MS. RICHARDSON: Thank you,
- 25 Commissioner.

1 REEG - RICHARDSON

- 2 it's only directly supported by the Tropicana assets.
- Q. And you've mentioned the REIT already.
- 4 From an Eldorado's perspective, why did it make the
- 5 determination to partner with GLP Capital in the REIT
- 6 type structure rather than the traditional acquisition
- 7 that it's done in the past?

- A. You know, it's interesting. The REITs
- 9 value these -- value casino cash flows differently.
- 10 So effectively, we're buying Tropicana for a billion-
- 11 eight-fifty, and it's as if we're splitting the cash
- 12 flow 50/50. It's not quite that. But it's close to
- 13 that. And our partner, GLPI, is paying 11 times cash
- 14 flow for their piece, and we're paying probably under
- 15 seven times for ours. So just from a mathematical
- 16 perspective, that's pretty appealing.
- 17 Given what we know we've been able to do
- 18 in other transactions, we think we can drive that
- 19 multiple down even further. We recognize that the
- 20 lease is effectively another form of leverage. So
- 21 you'll notice when I talk about leverage, I talk about
- 22 gross lease adjust leverage, talk about the lease as
- 23 debt. But given where we are in terms of our current
- 24 balance sheet, we are comfort adding that lease down
- 25 to facilitate this transaction.

5

1 **REEG - RICHARDSON**

- 2 Q. Could you explain the financial aspects
- of Eldorado's acquisition of Lumière since it's being
- removed from the master lease as you've mentioned?
- 5 A. So we're effectively mirroring the terms
- 6 of the lease in a note from GLPI. So the face value
- of the note is anticipated to be \$246 million. It
- 8 will be a mortgage note on the property. We're
- 9 discussing with the -- with Missouri whether that
- 10 needs for a 12 or a 24-month term. So that's still
- 11 outstanding. The way that we can settle that note is
- 12 by swapping assets that we currently own into the
- 13 lease that replace the economics of the St. Louis
- 14 asset so that both parties end up in the same place.
- 15 To the extent that we can't, for any reason,
- 16 substitute a property. And by the time we could reach
- 17 maturity, we could settle that note in cash. And we
- 18 have the financial wherewithal to do that.
- 19 Q. And you mentioned earlier that you have
- 20 approval tentatively scheduled with Missouri for
- September 26th?
- 22 A. That's correct.
- 23 And that would address the changes Q.
- 24 you're speaking of?
- A. Yes. It would be in final form at that

REEG - RICHARDSON

2 you sort of addressed this in part. Do you expect the

116

117

- allocation of the lease payment to be different than
- what you anticipated with the original transaction?
 - A. It could be -- there could be some
- 6 difference, but it shouldn't be material. It should
- be substantially similar.
- 8 Q. And what changes to the lease payment
- 9 allocation would you expect to occur when a new
- property or properties are substituted to GLPI?
- A. I would expect that would put us in the 11
- 12 same situation where we're \$110 million lease payment.
- The substitute assets merely replace Lumière's piece 13
- of the master lease. It shouldn't impact the share of
- 15 Trop AC.
- 16 We won't -- to the extent we won't have
- 17 a perfect match, it might move a little bit.
- 18 O. What overall benefits do you see for
- 19 Tropicana Atlantic City with the acquisition of
- 20 Tropicana by the Eldorado?
- 21 A. Well, I think you get a -- Icahn is a
- 22 financial buyer, and he's a temporary owner of assets.
- 23 He -- he did a fantastic job here in -- in improving
- 24 and reinvesting in these assets. But you know it's
- 25 he's not going to be a long-term owner of casino

115

- **REEG RICHARDSON**
- point. And whether or not that slips or when we do have the final form of that note, we will of course
- submit that to New Jersey.
- 5 In the total lease payment that you
- 6 mentioned on the master lease, that will be allocated
- among the various Tropicana properties; is that
- correct?
- 9 Α. That's correct.
- 10 And if the allocation ends up being
- 11 based on EBITDA as the top performing property of the
- 12 Tropicana Entertainment assets, the Atlantic City
- 13 property would be allocated the majority of that lease
- 14 payment? Would that --
- 15 A. No. Not a majority. So Tropicana --
- 16 Trop AC is the largest asset, but it's about 40
- percent of the total of Tropicana.
- 18 I'm sorry. I shouldn't have really said Q.
- 19 "majority."
- 20 It will be the largest. Yes. A.
- When would the allocation of the lease 2.1
- 22 payment be finalized?
- 23 Α. It will be in time for our 10-K in
- 24 February.
- 25 Q. And with the Lumièri Place removal --

REEG - RICHARDSON

- assets. You know, you get -- in our case, you're
- getting a much more long-term focus and broader casino
- infrastructure that we bring to the table in
- experience and integration of several acquisitions
- that should improve the operations of Atlantic City
- 7 and the rest of the Trop portfolio.
- 8 Q. And Eldorado has disclosed that it
- anticipates realizing cost savings with the Tropicana
- 10 Entertainment acquisition and also its Grand Victoria
- 11 acquisition in 2018; is that correct?
- 12 A. That's correct.
- 13 Q. And what has it estimated those
- 14 potential savings could be?
- A. In the case of TEI, it's \$40 million. 15
- 16 In the case of Grand Victoria, it's a little bit over
- 17 15 million.

- 18 And how would that anticipate realizing
- 19 those cost savings, particularly as to TEI?
 - So, the biggest piece of TEI is
- corporate. TEI runs about \$20 million of corporate 2.1
- expenses. The vast majority of those will end up
- savings. Then you got purchasing synergies as you
- 24 become a part of a large organization. And then we
- 25 see some -- some layering in the organization that we

- **REEG RICHARDSON**
- 2 typically don't have. And that those are kind of the
- major pieces that get you to 40 million in Trop.
- Q. What types of changes or consolidations
- would this mean, in particular for Tropicana Atlantic
- 6 City?
- 7 You know, as Gary said, we -- we try to
- 8 just integrate the existing operations. From a
- 9 day-to-day operating standpoint, I would expect the
- 10 vast majority of the people working in Trop AC today
- 11 to be doing what they're doing now when we're the
- 12 owner. There will be -- of course, there will be some
- 13 changes in terms of -- in terms of how we staff. But
- 14 the -- there tends to be not much change to the normal
- 15 operations of our existing assets. As Gary said, I
- 16 think we've bought 15, 16, 18 assets? And we might
- 17 have changed the general manager three times. So
- 18 we're typically trying to implement our philosophy
- 19 with the existing team. We recognize the value in
- 20 institutional knowledge and the disruption caused by a
- 21 lot of turnover, and we try to avoid that if at all
- 22 possible.

4

- 23 And you've discussed the financial Q.
- 24 aspects of the merger costs and the impact they have
- 25 on new debt. Would you expect Tropicana Atlantic City

- REEG RICHARDSON
- 2 situation in Atlantic City is in. We know that most
- 3 of Atlantic City's feeder markets now have competitive
- product. Some of them have more coming. So we're
- coming in eyes wide open that we're going to have to
- 6 fight for our position in this market. You know, the
- 7 fact that you've had Hard Rock and Ocean reopen
- properties that have been shuttered and come with
- fresh perspective should help to create visitation.
- 10 We hope that we can join in that and figure out where
- 11 we are at the Trop. And, you know, we expect a piece
- of that new visitation as well. But this is -- this
- is the reality in most of regional gaming in America,
- 14 is you don't have six states around you that lack
- 15 casinos anymore. You got to be -- you got to be
- 16 competitive with your -- for customers, for employees.
- 17 You've got to be competitive within markets, within
- 18 regions. We have ample experience in doing that, and
- we're anxious to get here and prove that we can do it
- 20 here as well.
- 21 O. And related to the two casino openings
- 22 that you've just mentioned and that have been
- discussed, what do you believe would be the major

121

- 24 challenges of sustaining and/or growing Tropicana
- 25 Atlantic City's EBITDA going forward?

119

REEG - RICHARDSON

- as one of the primary performers to be a major
- supporter of Eldorado's new debt service requirements? 3
 - A. Well, I mean, I would say on an EBITDA
- 5 and EBITDAR basis, Tropicana is going to be less than
- 6 ten -- Tropicana Atlantic City is going to be less
- than ten percent of the combined company. On an
- 8 EBITDA basis, you're talking about something like six
- percent of the combined company. So it will be a
- 10 contributor, but it's not gigantic.
- 11 Q. And is there potential for debt of
- 12 Eldorado to actually be allocated to Tropicana
- 13 Atlantic City?
- A. That will -- we'll figure out the
- 15 purchase accounting as we go. I would expect, yes,
- 16 there would be a small piece that might be allocated,
- 17 but it shouldn't be enormous.
- O. And if it is, what would the method be 18
- 19 used to allocate that?
- 20 Typically we're doing pro rata across
- 21 the portfolio that we're acquiring.
- What's your view of the Atlantic City
- 23 market in terms of competition and long-term growth
- 24 potential?
- 25 A. I -- we -- we see the competitive

REEG - RICHARDSON

- 2 A. Well, clearly you've had a big supply
- 3 increase two months ago. So the question is, does
- 4 that grow the market in keeping with that supply early
- 5 on? It hasn't quite. So there's been some
- 6 cannibalization as well. And that's what we would
- expect going forward. In the summer -- they opened
- 8 end of June, Atlantic City's never really had a
- problem attracting visitation in the summer. When we
- get to November and December and January and February,
- you know, we expect a fight for market share here, and 11
- 12 we're prepared to get involved.
- 13 And you've addressed this in part, but
- 14 do you have anything else to add of how Eldorado will
- maintain Trop AC's market share and operating
- 16 performance?
- 17 A. Yeah. I would say look to our past. We
- 18 are -- we have a demonstrated track record of
- investing significant capital into our assets. Gary
- talked about Reno being similar to Atlantic City in 20
- terms of competitive supply in the feeder markets. In
- 22 the past two and-a-half years in Reno, we've invested
- almost a hundred million dollars in adding pieces, 23
- 24 refreshing rooms, you know, into assets that, in one
- 25 case, we've owned for 45 years. So we are -- we have

122 124 1 **REEG - RICHARDSON** 1 **REEG** 2 the wherewithal and we have the track record of making 2 you know, there's nothing wrong with Tropicana 3 3 investment to maintain and improve our competitive today. COMMISSIONER COOPER: No. It's position, and you should expect us to do the same 4 5 here. 5 gorgeous. Q. And you've already mentioned that you've 6 6 THE WITNESS: We're taking over a 7 read our ICA report that we filed. And you also have 7 property that's in great shape, that's well 8 had an opportunity to review the conditions that we 8 run. The obvious near-tern opportunity is 9 requested be imposed in that report and also the 9 sportsbook. We were talking the property last 10 supplemental report that we filed? 10 night and talking about where we would place 11 A. Yes. it, what we would invest. You know, you should 11 Do you see any issues with complying 12 12 expect us to put material money into a 13 with those conditions? 13 sportsbook so that we have something that's, 14 A. I don't. 14 you know, at least competitive if not the Q. Thank you. I have no other questions. 15 15 leader in the market. And, you know, we've --16 A. Thank you. 16 as Gary talked about, in Reno we've done that. 17 CHAIR PLOUSIS: Thank you. 17 You know, beyond that at this point 18 Commissioners? 18 we're relying on Steve and his team to tell us 19 COMMISSIONER COOPER: Once again, I want 19 this is where we were going to put money absent 20 to thank you for being here today. 20 us being in charge. And then as we get our sea 21 Just one question for you because you're 21 legs underneath us, we'll talk about, you know, 22 in charge of the money. Without going into 22 we really would like to do this. We really 23 specific dollar amounts, from what I've read in 23 would like to do that. I suspect -- I don't 24 the reports, for 2019 I see certain money has 24 know, but I suspect we're more liberal in terms 25 been allocated for capital expenditures, 25 of considering cap ex requests and being more 123 125 1 REEG 1 REEG 2 maintenance, et cetera, et cetera, et cetera. 2 aggressive in terms of what we will add to 3 Atlantic City -- Tropicana Atlantic City looks 3 properties than the prior owner who is, you 4 4 know, a financial buyer looking for a return in wonderful. And even as I acknowledged in 5 5 a finite period of time. You know, we recent years, recently they've been doing some 6 6 wonderful renovations, improvements, et cetera, recognize that, you know, we're buying an asset et cetera, to that property. However, once you 7 that we open is standing and competing 50 and a 8 8 acquire this property, after you open, are you hundred years from now. You have to think 9 able to share with us some short-term projects 9 beyond what's going to happen next quarter or 10 that you might be planning as well as maybe 10 next year. 11 some long-term projects just to make sure that 11 So that's the approach that we've taken. 12 this property keeps right up to date? And 12 I can't tell you specifically beyond a 13 again, I mentioned before, and everybody knows 13 sportsbook where we'll be directing dollars. 14 we just had Hard Rock open. Magnificent. Just 14 But we should be -- we should have a real 15 had Ocean Resort. Just making sure that 15 opinion and direction on that soon. 16 Trop -- Tropicana Atlantic City stays right up 16 COMMISSIONER COOPER: Okay. And again, 17 there as a five star property. 17 I fully acknowledge the Trop -- the Trop looks 18 Again, can you share -- because of the 18 magnificent so it's, you know, just --19 money that I'm looking -- I've read in the 19 THE WITNESS: Uh-hum. 20 reports, money that's been allocated. And 20 COMMISSIONER COOPER: -- wanted to see 21 again, I just -- can you share anything that 21 what you're looking at. 22 you're planning short term and/or long term 22 THE WITNESS: Understood. 23 just to make sure that you keep right up there? 23 COMMISSIONER COOPER: I asked Mr. Carano 24 THE WITNESS: Yeah. So what I would say 24 this question, and I'm going to pose the same 25 is, first of all, to reiterate what Gary said, 25 question to you. In your opinion, aside from

126 128 1 REEG 1 **REEG** 2 VICE CHAIR HARRINGTON: I have a 2 your other properties in your various -- I'm 3 3 going to say various locations, Atlantic City question about the sports betting, sports 4 4 is certainly different from your other venues. wagering --5 5 What are a few of -- and I asked Mr. Carano THE WITNESS: Yes. VICE CHAIR HARRINGTON: -- program? Do 6 what was the one thing that he liked, so I'm 6 7 7 going to expand it a little bit. Tell me -you know when you intend to begin that 8 let's take two or three things that you 8 relationship? 9 THE WITNESS: So we -- we announced our 9 personally like that's making this Atlantic 10 City purchase, this Atlantic City acquisition 10 deal with -- our master deal with William 11 11 special? What do you personally see that's 12 really exciting? 12 VICE CHAIR HARRINGTON: Uh-hum. 13 THE WITNESS: I love the location. 13 THE WITNESS: That has to go through any 14 Obviously, even though you have competition in 14 trust approval. And because we're taking a 20 15 15 percent stake in the US business, we'll have feeder markets, you're sitting in just an 16 enormous population base. We have a lot of 16 some licensing work that we have to do. In the 17 interim, we have a temporary lease signed 17 properties that are in much more sparsely populated areas, and it is very difficult to --18 18 between Tropicana and William Hill that allows 19 it can be very difficult to attract customers. 19 us to get a temporary book up and operating as 20 I like that this was -- this was a place people 20 soon as we can get the work done and get the 21 came before casinos were here, that there's a 21 approvals from the State. 22 22 natural element to visitation here that, you So the -- I saw October, I think, is the 23 23 date we're anticipating having a temporary book know, supports it. And that's a lot of value closing this deal, taking over the property? 16 to us. There are -- and that's not, frankly, 16 THE WITNESS: So we need -- if we're on 17 track for Missouri on the 26th, we would have 17 the norm in this business. We -- we deal with 18 all our regulatory approvals this month. The 18 states that tend -- that sometimes have a more 19 piece that we can't control is the Tropicana 19 adversarial view, and my sense is New Jersey is 20 sale of Aruba. They've indicated that they'd 20 more of a partner with the industry, and we 21 be ready in a similar fashion, so I would say 21 love that. 22 COMMISSIONER COOPER: Thank you. Thank 22 early fourth quarter is a reasonable 23 you so much for your answers. And thank you 23 expectation. 24 24 VICE CHAIR HARRINGTON: Okay. But for being here today. 25 this -- this deal is contingent upon that one 25 CHAIR PLOUSIS: Commissioner?

- 5 And I think it's important to note that

- get very much in the weeds and like to be on property.
- We don't like to run these properties from Reno. I

- 12 do so here in Atlantic City as well.
- Q. What will your operations look like in 13

- 15 A. So we'll have 26 properties across the

- Q. One of the elements that we have to

- ability to continue the successful operations of
- 10 Tropicana, and we've heard quite a bit about that
- already. Is there anything that you would like to add
- about your knowledge of Tropicana Atlantic City or
- your anticipated efforts to continue that success? 13
- 14 A. Yeah. From our -- I think I've been
- 15 here five or six times in the past year. We're very
- excited about this property. Very excited about Steve
- and his management team. I'd say, as I said earlier,
- 18 we get in the trenches from an operating team. Steve
- will get sick of me sometimes. We get really down in
- the details of everything. How to drive new business.
- 21 How to make the customer experience better for our
- players, for our team members. How to, you know -- we
- want to make sure we attract the best team members, so
- we have to make sure we have the best benefits and the

- 7 Q. Have you had an opportunity, aside from
- 8 talking with the general manager, to meet other
- members of the management team and get into the weeds,
- 10 as you said, with members of the team here in Atlantic
- 11 City?
- A. We have. We've had a number of 12
- 13 meetings. We actually brought all -- about four of
- the management teams from different Tropicana 14
- properties to Atlantic City a couple of months ago and
- 16 did a deep dive into every property. But, yes. Met
- 17 with the leadership team at Trop AC. And Steve has an
- 18 outstanding team.
- 19 Q. So that if we were to look ahead for
- 20 Tropicana Atlantic City under Eldorado's ownership,
- 21 what would your expectations be for the future?
 - A. Yeah. What I can say if you're going to
- 23 have a clean, safe, and exciting property. Those are
- 24 three, you know, major -- major things that my grandpa
- 25 drilled into us. That you better be safe and clean
